

Commercial & Business Merchandising Package.....Starting at \$3,000

This full-service interior design package is for commercial projects that require detailed hands-on treatment from start to finish. We handle everything from interior decorating to renovations. After we assess your preferences, budget, and time frame I will develop and fully execute a design concept plan that is functional and tailored to suit your businesses needs.

Whether your business is building new commercial space or renovating an existing one, I will bring your ideas to life. With a close focus on sustainable building materials, and intelligent space planning I ensure form and function within your bottom line. I offer design concept boards to help with the vision, with up to 2 revisions. Shopping Assistance – up to 5 hours, does not include Cost of Purchased Items: I will help you find the perfect design elements (paint colors, furniture, accessories, artwork, lighting, etc.) needed for your design.

I will also assist as a Project Manager working alongside with Contractors, as another set of eyes until the projects completion. ***You will also have access to our designer discount with many local and National suppliers* when you order through us.

Installation services are required for this package.

PER HOUR RATE - \$100/hr (for installing accessories, furniture placement and as needed basic only)

IMPORTANT INFORMATION REGARDING PRICING: Call or email for more information regarding commercial pricing.

***Toscano Interiors does not guarantee all suppliers will offer a discount.**
