

Home Staging (Owner Occupied)

.....  
Starting at \$200

Toscano Interiors Owner Occupied Home Staging is done is a series of two appointments, however some Agents or their Sellers only want a Consult and Checklist before photos are taken.

Consult & Checklist Only- (Colorado Springs & Fountain) During the first initial home visit I will help your Sellers emphasize the attributes of their home while minimizing its imperfections. You and your Sellers will have a detailed checklist with photos as a visual reference, in a professional Staging Summary presentation within 24 hours of the appointment. Your Sellers will not have to take notes that they may misplace during the chaotic process of moving. Our beautifully-presented checklist can be downloaded from their computer or mobile device.

Consult, Checklist, & Final Re-Design- (Colorado Springs & Fountain) At the final appointment (scheduled typically a week after the first appt.) we are rearranging your Seller's current items, bringing new ones (no furniture/rugs/bedding for owner occupied), to give you a space that is "Open House" ready. I will create up dated spaces that will reflect a warm and inviting style, which will appeal to potential buyers. All my items remain at the Seller's home until it sells. There are no monthly rental fees with our staging services. Total Cost \$450

***Travel Fee- \$150 for the following areas Monument, Falcon/Peyton, Manitou Springs***
