

## Bespoke Furniture Refinishing & Restoration

At Toscano Interiors, we believe furniture should do more than just fill a space—it should tell a story, evoke emotion, and create a sense of harmony in your home. Our bespoke refinishing services are designed to **transform well-loved furniture into statement pieces** that reflect your unique aesthetic and lifestyle.

### Finishes That Elevate Your Space

We offer a curated selection of **hand-applied finishes** ranging from timeless single-color applications to **specialty finishes** that bring depth, texture, and artistry to your piece. Whether you desire a modern, sleek look or a timeworn patina that exudes character, our meticulous craftsmanship ensures your piece will be as **visually stunning as it is functional**.

- Surface imperfections such as dents, chips, and scratches can be carefully **sanded and repaired** for an additional fee.
- Structural or cosmetic repairs can be arranged upon request, ensuring the longevity of your furniture.
- Each piece is finished with **high-quality sealers and topcoats** for durability and protection.

### Curated Color Selection & Customization

Color is a deeply personal expression, and we encourage our clients to explore shades that align with their **mood, energy, and interior design vision**. Whether you're drawn to **earthy neutrals, bold statement colors, or soft muted tones**, we will collaborate with you to find the perfect hue.

For expert color consultation, we are happy to guide you through the selection process to achieve a finish that **complements your home's aesthetic** while enhancing the **soul and personality** of the piece.

## How It Works

1. **Consultation & Quote** – Email [Candace@toscanointeriors.com](mailto:Candace@toscanointeriors.com) with a **photo, dimensions, and details** of your piece. If structural repairs or hardware replacements are needed, these will be **quoted separately** before the project begins.
2. **Deposit & Scheduling** – A **50% deposit** is required to secure your booking. Our refinishing calendar fills up quickly, and we schedule custom refinishing projects **on a first-come, first-served basis**.
3. **Turnaround Time** – Please allow **6-8 weeks** for the refinishing process. This estimate may vary based on our current workload and the intricacy of your project.
4. **Inspiration & Vision** – If you have a specific look in mind, we encourage you to send **inspiration photos** or reference pieces from our website, social media, or Pinterest page.

## Pickup & Delivery Services

- Pieces can be **dropped off or picked up** at our workshop, or we can arrange **pickup and delivery for an additional fee** based on location.
- Please note that we do not move furniture in or out of your home. Delivery services will be limited to drop-off only. Pickup & Delivery Policy & Liability Waiver will need to be filled out at the time of scheduling.
