

The Collected Home: A Bespoke Styling & Layering Experience.....\$3,800 (Payment plans available)

Your home should feel **effortless, lived-in, and deeply personal**—a true reflection of your journey, style, and the life you want to cultivate. The **Collected Home Package** is a curated design experience that focuses on refining your space through **artful styling, thoughtful layering, and intentional décor placement** to create a home that feels elevated yet inviting.

This service is for those who already have their **foundational furniture pieces** but feel like their space lacks warmth, flow, or personality. Whether it's an **underwhelming living room, a bedroom that feels incomplete, or an entryway that needs a statement**, this package is designed to **bring cohesion, texture, and soul** to your home—without starting from scratch.

Who is This Package For?

- You've invested in quality furniture but your space still feels unfinished, uninspired, or lacking personality
- You want to refine your home with **unique styling, layers of texture, and intentional placement of décor**
- You love a **curated, collected aesthetic** rather than a showroom-perfect space
- You desire a home that feels high-end, cohesive, and thoughtfully designed but still feels like *you*
- You appreciate a variety of design styles and want a home that feels collected, layered, and uniquely yours—a space that blends different influences effortlessly while still feeling cohesive and thoughtfully designed. You're looking for a curated mix of textures, finishes, and statement pieces that bring depth, warmth, and personality into your space, with just the right touch of boldness and sophistication.

What's Included?

This experience unfolds over **three phases** to ensure your home is styled to perfection.

Phase One: The Foundation Session (1.5-hour consultation)

Our journey begins with an **in-home Discovery Session & walkthrough** where we assess your space and identify opportunities for styling, enhancement, and refinement.

- **Design Discovery & Vision Mapping** – Understanding your lifestyle, aesthetic preferences, and how you use your space
- **Furniture & Layout Assessment** – Determining if small shifts in arrangement can improve flow and function
- **Color, Texture & Layering Strategy** – Creating a mood that feels intentional and connected
- **Key Areas of Focus** – Identifying focal points that need enhancement, whether it's a coffee table, bookshelves, bedding, art walls, or lighting
- **Personalized Shopping Plan** – Recommending décor pieces, textiles, and styling accents that bring your space to life

You will receive a **Styling Strategy Guide** outlining our key focus areas, recommended updates, and a visual direction for your space.

Phase Two: The Curation & Shopping Experience

With a clear design direction, we move into the sourcing and selection phase.

- **Custom Styling Concept Boards** – Up to three rooms, with one revision per board
- **Hand-Picked Décor & Accessories** – A curated shopping list of pieces that will bring warmth, depth, and personality to your space
- **Art & Object Placement Planning** – Guidance on how to display personal collections, artwork, and accessories for a balanced, collected look
- **Layering Textiles & Styling Details** – Recommendations for pillows, throws, rugs, and window treatments that enhance coziness and luxury
- **Private Designer Discounts** – When you purchase through us, you'll receive exclusive trade pricing on select furnishings and décor. For clients who prefer a **hands-off approach**, we offer a **Full-Service Styling Add-On**, where we source, purchase, and receive items for you. Additional charges do apply.

Phase Three: Styling & Finishing Touches

Up to 8 hours on-site styling and installation (not consecutively)

The final phase is where everything comes together. We'll arrive at your home to **style, arrange, and refine each space**, ensuring that it feels **layered, sophisticated, and effortless**.

- **Tablescapes & Surface Styling** – Perfecting coffee tables, consoles, and bookshelves with intentional placement
- **Textile Layering & Bedding Styling** – Creating a high-end, boutique feel with custom fabric combinations
- **Art & Object Placement** – Curating a collected look using existing and new pieces
- **Lighting & Ambiance Enhancements** – Adjusting fixtures, candles, and dimmable lighting to create warmth and depth
- **Final Scent Styling** – Using custom aromatherapy blends to complete the transformation

At the end of this session, your home will feel like a **refined, collected, and curated masterpiece**—layered with depth, warmth, and personality.
