

EDesign (as in EASY!).....\$395+

Our E-design is a fast, fun way for you to work with our team without having to commit to the full design service and it's the perfect bridge to our clients based outside of Colorado Springs. All of our shopping is done online and sent to you as a shopping list, to make getting those perfect pieces as easy as clicking the mouse on your computer. The design fee for our E-design service varies based on needs and square footage/the amount of rooms you want advice on, but most start around \$395. We pride ourselves in creating totally custom, unique and personality filled spaces for you – whether they are full service or E-design, which takes time. Please think critically about your true overall budget because the more we have to work with the more accurately we can design the space of your dreams. Here's how it works: Fill out our questionnaire Attach photos of the space(s) you'd like to have designed Submit measurements We'll send you a quote You approve it :) We get designing You'll get a moodboard, a space plan and a shopping list for products to purchase.
