

Room Refresh Package.....\$1,249

Have a space you want to change? Tired of the boring room that drags you down? Want a more picture perfect room that will radiate positive vibes? Then you are in luck, I believe every home should be surrounded by serenity.

Let me help you create the space you want with fast results. We are surrounded by two types of interiors, the worldly interiors (home interiors) and personal interiors (mind, body and soul). This service is perfect for someone who wants to bring peace and purpose into their lives by creating a space that empowers. As an Interior Designer and Certified Life Coach, I will help you personally design the space that will radiate positive vibes. Making a place look pretty is one thing, but having a space that makes you feel good is a whole new experience I specialize in. Your space will be designed to your personal taste and budget. Everything will be catered to your style.

IMPORTANT INFORMATION REGARDING PRICING: Design Time pricing is for standard sized rooms only and is subject to change. A 60% deposit is required for all design time packages and the remainder 40% is to be paid when the project is complete.
