

Soul Inspired Design.....\$2,500 (payment plans available)

This Soul Inspired Design Package is an intensive hands-on decorating journey — We will follow a step-by-step process that will help you become clear on what your design style is. This service includes 1 home Discovery Session home visit (up to 1 hour), during which we will do a thorough walk-through to address all the areas of your home that require design attention. We create a personalized design plan and shopping list for up to 3 rooms in your home during this journey together. We start to understand your unique style and begin creating a home that supports your lifestyle choices and represents your true authentic self, a design style that truly speaks to your soul. Throughout our time together we start to uncover blockages that are draining you and your families energy. We begin to implement systems that allow you to create vision for your home...and life. You will find new ways to embrace your core desires, surrounding yourself with beauty and a space that truly reflects you- a space that is aligned with your vision, a space that embodies your values, a space that feeds your energy.

Areas We Will Cover

1. A Lifestyle Quiz (discover your design style and needs), Understanding the use of color, the importance of lighting, etc.
2. Create design plan with furniture placement options. You will learn the important role aromatherapy plays in setting the right mood in your home and how to incorporate other mindfulness and internal influencers, core values, and how to simplify your space
3. A personalized design plan, design boards (3 boards with 1 revision), shopping list (*You will also have access to our designer discount with many local and National suppliers* when you order through us), and final install of your space (up to 5 hours on-site)
