

Soul Inspired Design.....\$1,200 monthly investment
(3 months, payment plans are available)

This Soul Inspired Design Session is a 3 month intense hands-on decorating journey each month for 3 hours (must be broken up over the course of a month), we will follow a step-by-step process that will help you become clear on what your design style is. This service includes 1 home Discovery Session home visit (up to 1 hour), during which we will do a thorough walk-through to address all the areas of your home that require design attention. We create a personalized design plan for 3 rooms in your home during this 3 month journey together. We start to understand your unique style and begin creating a home that supports your lifestyle choices and represents your true authentic self, a design style that truly speaks to your soul.

Throughout the 3 months we start to uncover blockages that are draining you and your families energy. We begin to implement systems that allow you to create vision for your home...and life. You will find new ways to embrace your core desires, surrounding yourself with beauty and a space that truly reflects you- a space that is aligned with your vision, a space that embodies your values, a space that feeds your energy.

Areas We Will Cover During The Three Months

1. A Lifestyle Quiz (discover your design style and needs), Understanding the use of color, the importance of lighting, etc.
2. Create design plan with furniture placement options. You will learn how to create a life map, and vision board. Mindfulness and internal influencers, core values, how to simplify your space
3. What's Your Story?- to name a few. ***You will also have access to our designer discount with many local and National suppliers* when you order through us.
